

DIRECTORY
of
WISCONSIN
SHORTHORN BREEDERS

1956

A FEW WORDS OF INTRODUCTION

On the following pages you will find the names and addresses of breeders and producers of fine Shorthorn Cattle. Whether your need be a herd sire, replacement females, club calves or top quality feeder cattle, you will find in this directory the purebred breeder or commerical producer who can most adequately fill your needs.

Each year about mid-summer the Shorthorn Breeders Association picnic is held at the farm of one of the purebred breeders. Every one interested in Shorthorn cattle is cordially invited to attend.

The Wisconsin State Sale in October always affords a fine opportunity to invest in top quality Shorthorns, and the Club calf sale at Madison in November is notable for the high caliber Shorthorn steer calves offered for F. F. A. and 4 - H projects.

The mid-winter Futurity and Sale of beef cattle at Madison is an annual event fast growing in stature here in Wisconsin, and merits the attention of all folks interested in beef cattle.

We of the Shorthorn breed sincerely hope this directory will prove of value to you the prospective buyer.
